Note from John

Supporters,

The Albers for Senate campaign is surging toward the July 20th primary! We have an electrifying campaign with incredible organization and volunteer base. We continue to dominate community events and show the positive, not politics as usual campaign you deserve.

Beginning with the endorsement of the immensely popular and retiring Senator Dan Moody, the Albers campaign followed with 65 volunteers working the Taste of Alpharetta and having over 100 volunteers at the Alive After 5 event in Roswell this past Thursday night. There is no doubt that in the race for State Senate, we are leading the pack.

A well known Roswell elected official commented, "There is a sea of red out here supporting Albers, I am really impressed". I quickly responded, "Yes, a sea of Conservative Republican red"! We all know Democrats are blue and Republicans are RED!

This is just the beginning. We're not slowing down, and will be making several major announcements while continuing to outwork our competition 10 to 1. We have the community support and remain the hardest working campaign. I need your continued help!

With only 55 days left, it is time for a yard signs and car magnets. If you don't have one, please click below or reply to this email. www.votealbers.com/yardsign-request.asp

Thank you and please honor our greatest heroes on Monday for Memorial Day. This is not a day for campaigning, but remembering and supporting those who made the ultimate sacrifice for our freedom.
